Your ceremony will be scheduled with the September 21, 2024 11am Legacy Stone ceremony

*A tribute to all working military dogs (scout, sentry and tracker) and their handlers for their sacrifice and service in protecting the liberties of the United States of America.*

Many lives were touched and saved by the work of dogs and dog handlers during conflicts. Be it the work of a scout dog, sentry dog, or tracker dog — the efforts of these animals and their handlers made a profound impact on our military and it's mission.

*The one-line recognition will be engraved on a polished mahogany granite stone on a first come basis.*

*(only letters, numbers, AND spaces will be used—no symbols or punctuation—22 spaces available)*

**Being this is a tribute to the canines, we suggest you list the dog first, handler name then the war/conflict.**
