*The program printed for your day will list the stone's engraving, the honoree's hometown, and the stone's sponsors. We would also like to include a short, **one or two sentences,** about the honoree in hopes we will all know something special about this person you are paying tribute to with a stone. This will not be engraved on the stone but written in the program brochure for others to see at your ceremony. This could be the honoree's favorite saying, wish, hope, funny story, what he/she believed or what they would like to be remembered for. Why are you honoring this person? Is this a gift to them? Or a remembrance of them? Your choice, but please be brief—there are 20 others to incorporate into your program also.* _____
